Located about 250m away from the main building, you will enjoy maximum privacy on the spacious estate. With beautiful natural stone walls on the outside and high quality and natural materials inside. Plastered walls, wooden beam ceilings and a combination of minimalistic design and cosy elements create an atmosphere of well-being.

At the heart of the finca is the wonderful fireplace. The living room offers several sofas, a dining area and thanks to the large windows, you have a great view to the dreamlike garden.
