Located in the old town, Chalet Chantal perfectly mingles with other authentic chalets built in a traditional style which made Val d'Isere the charming village it is today.

Chalet Chantal is one of four luxury chalets, and has been designed in true alpine style, tastefully furnished using reclaimed wood, slate and sumptuous fabrics.

The ground floor features the chalet's wellness centre, including an indoor swimming pool with counter-current, steam room, sauna, and massage cabin.

On the second floor at Chalet Chantal, you are greeted by the large living space and open fire, attuning you to a content and welcoming feel. The peaceful decor is conversed with the majesty of the mountains in view from the living space and outdoor terrace. A substantial dining room accommodates nine guests, there is also a fully equipped kitchen and desk area.

The four bedrooms are furnished in a decadent, lodge ornamentation, with cosy blankets and luxurious carpets throughout. Three of the bedrooms are located on the first floor, two of which have king size beds and one with twin beds. The fourth bedroom is located ground floor with king size bed. All bedrooms have a mini bar and en-suites with shower, bath and separate toilet. Bedroom three and four also have a balcony with magical mountain views.

On the lower-ground floor you will find a fully equipped cinema room for all your entertainment needs. There is huge flat cinema screen offering Apple TV, a DVD player and an Onkyo amplifier. Two large sofas lie spaciously, inviting to you relax and unwind with your favourite film. The Ski room, laundry room and supplemented parking also resides on the lower-ground floor.

In addition to a private butler, the chalet guests can enjoy all the 5-star hotel facilities (reception & concierge 24h/24h, drivers, porters,...) at the adjacent hotel. They can enjoy their chalet in privacy, but also enjoy the "common" spaces such as the restaurant and bar area. While the Wellness Centre at the hotel offers a heated indoor swimming pool of 17 metres long, sauna, steam room and relaxation room.
