Designed with exquisite taste, this stylish and modern villa exudes class and good taste, with utmost attention to details.

Villa Ariela is a gem for enjoying the surrounding nature of Mallorca. The property itself sits on 20 hectares of gardens and has stunning sweeping views of the bay of Alcudia and the Tramuntana Mountains.

If you choose to stay here, you'll be ideally placed 30 minutes from Palma and 30 minutes from the beach in the North. The property is ideal for winter as it features underfloor heating.

On entering this stunning property you will find a billiard table area opening onto the living room, from there is the open-plan fully equipped Bulthaup kitchen (La Cornue gas stove) and a spectacular, large dining area. These rooms have direct access to the exterior and pool area.

The WIFI connection can be accessed throughout the villa, terraces and gardens. The villa is ideal for large groups as its sister villa (Villa Yoyo, also a five bedroom property) can be accessed from the property via a path. Each property has a separate entrance.

A great one for the tennis players amongst us, the property features a shared full sized tennis court and a table tennis table. The kids aren't likely to get bored here as there is a billiard table and big screen HDTV when playing outside gets too warm.
