Tranquillity, beauty, balance and good taste come together to create a dream villa in Porto Petro in the Southeast of Mallorca.

This villa is a magnificent traditional style villa located right on the shore of the Mediterranean in the bay of Port Petro, southeast of Mallorca. It has been built with a unique stone construction that enhances the characteristics of the landscape that surrounds it. With a spectacular beachfront location, this villa has stunning views that can be enjoyed from the attractive pool and terrace. Direct access to the sea, barbeque and pizza oven, pergola with outdoor dining table for 12.

Distributed over two floors the main floor has a large living room, a second living room (both with sea views), dining room and fully equipped kitchen.

The first floor has 3 bedrooms all with en-suites. The guest house which is accessed via the back garden has 2 bedrooms both with en-suites.
