Let yourself be swept away by the allure of Nature and discover everything this magnificent housing development has to offer. Situated in a magical place, tucked into a quaint enclave with breath taking views of the surrounding mountains, this inspiring living environment overlooks the Mediterranean Sea and valleys below. From a peaceful and secluded position that adds to the feeling of exclusivity and privacy, it's the perfect setting to admire the spectacular sunsets that we are so privileged to behold here.

Nature Collection comprises of 40 spacious garden homes.

Offering a selection of 2 typologies:

- 3-story homes with a sizable ground floor where owners have the possibility of creating and tailor making to their needs their own dream space, office, home cinema, gym, games room, or an additional bedroom suite. This ground floor opens out onto a substantial garden and also has an internal staircase that communicates directly with the main house.
- 3-story homes with a large basement garage for 2 cars. The basement has a staircase that communicates directly with

the main house and automatic roller garage doors with remote control for easy access.

For peace of mind all the homes come with an alarm system installed.

A great deal of attention has gone into the landscaping that envelops this development, surrounded by greenery that hugs the private homes and their gardens which provides the binding force of the community. Featuring not only lawns, trees, and flowering plants, but also creepers, herbs, and fruits which are naturally and organically cultivated. In Nature Collection you have the unique opportunity to acquire an extraordinary home in an enchanting environment.

Included with the purchase of your property you will get a free lifetime family platinum membership so you will be able to enjoy all the facilities and activities of the main resort which is located few minutes by car.
