Located on the Greek island of Corfu, this unique villa of 1000m2 can host up to 12 people across six bedrooms. With its unbelievable view on the ocean, this property is a paradise of tranquillity for its guests. Every suite is therefore composed of its own bedroom with connected dressing room and bathroom.

The sumptuous entrance to the villa opens into the spacious sitting room and a breathtaking view on the sea. The sea's shade of blue surrounds the entire house by the magnificent evolution through the day, from sunrise to sunset. The kitchen is at the center of the house with a beautiful granite topped island unit where guest can sit at the bar. The dining room has a large dining table seating 12 persons. A fireplace in this room is offset by comfortable armchairs for pre-dinner drinks.

Villa features a spa & wellness area with a mosaic tiled hammam with heated stone seating, an infinity outdoor swimming-pool. Situated on the lower floor, the gym is air conditioned with all the equipment needed for a perfect session of sport. The swimming pool is divided into two sections, one draining from the upper terrace into the lower by means of a lavishly planted waterfall feature. To complete the outdoor relaxing area, a pool cabana offers a covered dining area, with a bar and a pool shower. An exceptional glassed lift connects the house down to the waterfront terrace offering a breathtaking view over the sea. Two separate areas have been carved out of the rocks, to provide terraces for bathing and lounging, with sun loungers, and parasols.
