This development is located in the lower slopes on the border of Marbella with amazing sea views only 5 minutes to the blue flagged beaches of the Costa del Sol.

The traditional whitewashed Spanish pueblo of Benahavís is a lovely 10 minutes drive through the gorge and is packed with restaurants, bars, galleries and of course the facilities of small town such as post office, banks, schools and public / private sports. Just 7 minutes to Puerto Banús, 15 minutes travelling East to Marbella and 20 minutes travelling West to Estepona the location offers easy access to some of the Costa del Sol's most popular destinations.

Villa Bodhi has modern stylish interiors with a variation of kitchen configurations that allows for a personalised living area. The initial phasing of 49 villas with 5 types of configuration to suit your lifestyle choice.

Modern and contemporary properties with organic and natural elements in keeping with the surroundings. Verdant Mediterranean gardens and private pool with easy access to Marbella and Estepona within minutes makes this luxury residential project one of the most exciting in many years.

3 bedrooms and 3 bathrooms spread over three levels. On entering the villa you encounter a large open plan living space that includes a fully fitted kitchen, salon, dining room and guest WC. From there the stairs will lead you to the mezzanine level containing two guest bedrooms each with their own bathroom. The master suite is located on the garden level with an ensuite bathroom and access to your private landscaped garden. The unique feature of Villa Bhodi is the dual aspect terraces which allow you to follow the sun and change your stunning views as you wish another special feature is the extra high ceilings and windows that allows the light to flood in the home.

Electric gates provide access to the villas, which feature a private 30m2 carport and are set within landscaped gardens with a stunning private swimming pool with Sukabumi colour porcelain tiling.
