Villa Baylon in Marbella's exclusive La Zagaleta Golf & Country Club. A very sophisticated and exquisite traditional mansion in La Zagaleta to rent. Situated on one of the estate's greatest plots, with amazing open golf and sea views. It has a direct south-west orientation highlighting the Marbella sunlight and magnificent sunsets. The villa features five bedroom suites as well as a separate staff unit.

The mansion features a spectacular entry through planted gardens with water fountains, a big courtyard, and space for multiple automobiles. The entrance hall leads to the big living room, the formal dining room, and the external terraces. We have a guest cloakroom and one double bedroom suite off the hall.

The kitchen is a huge open plan family Clive Christian kitchen with a centre island and casual tv sitting and dining sections.

All of the living and cooking facilities connect straight to the lovely covered and open Terraces, which provide multiple sitting, dining, and resting places. Summer kitchen, sit-up bar, and BBQ make this one of the greatest places of the home. The pool is a stunning beach entrance infinity pool that wraps around the patio spaces.

The home is mostly on one floor, with family and guest wings. The family wing has a covered Conservatory, a TV room, a Library, and an office that leads to the magnificent master bedroom, which includes sitting spaces, dressing rooms, and a bathroom.

The gardens are a feature of the villa; the bottom portion of the property features numerous species of fruit trees and avocados, which, coupled with a kitchen garden, give a steady supply of organic vegetables and fruit.

The residence contains three unique guest apartments in the pavilion area, each with direct access to the pool and garden areas, as well as a separate staff cottage. The garage is subterranean, with enough storage and washing facilities.
