Why Invest In Watford?

Watford blends the best of connected living with an exceptional quality of life in this popular commuter town. Two miles from the centre of vibrant Watford, excellently connected for London's Kings Cross and Euston stations and first class road links, these stylish apartments are perfectly placed. Relish the bold, contemporary design that delivers enviable open-plan spaces, flexible for whether you are relaxing or working from home

Watford is a town on the northern outskirts of London, famed for its Warner Bros Studio Park (Harry Potter!), nature reserves, museum displays and history.

Huge Regeneration is planned over the next 10-15 years.

Zoopla recently identified Watford as the No.1 commuter location to London, and as such the Borough has proposed 14,866 new homes to be built between 2020-2036.
