Located in Ibiza's most exclusive private urbanisation, on the coast of Es Cubells, long regarded as one of the finest and most stunning locations for villas in the Mediterranean.

Villa Bevan is one of the stunning properties that dot this rugged and dramatic setting. A truly unique luxury villa with expansive terraces, outdoor dining and entertaining areas, landscaped gardens and a majestic oasis-shaped swimming pool.

Recently renovated in a sleek and modern style, it enjoys incredible sea views from its 5 bedrooms. A perfect luxury family retreat or exclusive entertainment getaway.

The villa has five good sized bedrooms, including a giant master suite. Four of these bedrooms are located on the upper floor of the main house. The last double bedroom is an elegant room that opens onto the pool and is completely separate from the main house. All bedrooms have sea views, air conditioning and access to the outside terraces.
