This exceptional penthouse of Aguila boasts breath-taking views of Gibraltar and the Mediterranean, you can't help but relax on the gorgeous terrace.

World-renowned interior designer, Pedro Peña, brings modern Mediterranean touches into these stunning homes. Featuring customisable finishes and fittings, private solariums and generous terraces. Aguila represents the highest standard of luxury within the Grande Marbella development.

Aguila has it's own amenities with the best views including an exclusive fully equipped gym accessible from the pool area, private spa area with Hamman and Sauna exclusively for Aguila residents, private pool area with a 200m2 saltwater pool and extensive garden areas.

With Carre wardrobes, Gaggenau kitchen appliances, Dorn Bracht kitchen taps, Silestone worktops, Duravit bathrooms, Bang & Olufsen premium packs, this is just a glimpse of the quality of the materials within this property. Also included is the state of the art Lutron Connect which allows for setup, control and monitoring of wireless lighting controls from an Android or Apple mobile device, including your Apple Watch.

With its gated entrance, the gate building is more than just 24-hour security and entrance surveillance, here you will find a concierge service willing to help you. In the future it will accommodate the Kids' Club, a convenience store, bike storage, postal services and even a rental and management facility. We've thought of everything, so you don't

With designs implemented to the finest details, the windows in Aguila are designed to take full advantage of natural light and exterior views. In windows facing the terrace, the window is installed from the ceiling to the floor, with the lower frame elegantly integrated to finish floor level.
