Located near the most famous lighthouse on the island, Villa Orama borders a forest and has stunning views over the beautiful Formentera countryside to Ibiza.

For those seeking the seclusion of a private house, Villa Orama is a gorgeous villa with space for eight guests situated at the southernmost tip of the whole Balearics.

The nearest town, Sant Francesc, is 10 minutes from the house, the trendiest spot of the island, where you can enjoy shopping, restaurants and markets in a relaxed and very Mediterranean atmosphere.

The villa has 3 covered porches, a swimming pool and is surrounded by a beautiful Mediterranean garden with an abundance of aromatic plants.

The interior has been furnished blending the traditional with the modern - rustic but stylish use of natural materials, a cosy bohemian chic vibe, neutral tones with purple and lavender accents. This peaceful refuge has been a labour of love. Colours are muted, clean lines play off each other, the furniture both in and out is stylish but unpretentious, and wide picture windows give out onto the wild landscape.
