Immersed in tranquillity and carefully restored to recover the special allure of a classical Mallorcan country house. Finca Topher is a stunning hidden gem in the district of Llucmajor, Mallorca. It is located in the Marina of Llucmajor. Only 30 kilometres from Palma de Mallorca, this estate makes time stand still among vineyards, holm oaks, olive and carob trees, with views over a Mediterranean paradise.

It is 4 kilometres from Cala Pi, 15 kilometres from Sa Rapita and 20 kilometres from Es Trenc, three places where you can enjoy the turquoise blues characteristic of the south of the island.

This old but perfectly renovated house from the end of the 17th century is located in a natural paradise of 200 hectares, in one of the wildest and less crowded enclaves of the Balearic Islands, with a historical legacy that its walls still preserve despite the subsequent restoration.

The outdoor areas of the Finca feature a spectacular salt water pool with jacuzzi and an amazing outdoor covered lounge in front of gorgeous scenery surrounded by vineyards.

Admire the spectacular panorama and breathtaking sunsets on the stunning upper terrace while tasting your favourite drink.

Finca Topher has ten charming rooms and suites, each with its own personality, elegantly decorated by the owner. All enjoy unique views, modern amenities and an atmosphere designed to make you feel at ease.
