Welcome to Chalet Peak, an extraordinarily luxurious five bedroom chalet in the heart of Zermatt. This chalet is situated in an exclusive location just a couple of minutes from the village and offers spectacular panoramic views of Zermatt and the magnificent Matterhorn.

Nestled into the side of the mountain, this chalet is in an unrivalled, secluded and quiet location overlooking the picturesque car free village of Zermatt. Thanks to access via a tunnel and lift which goes through the mountain, it is just a couple of minutes to the centre of the village with all its wonderful restaurants and shops. Zermatt is famous for its wonderful skiing and remains one of the leading ski destinations in the world. During the summer, hiking in the stunning Alpine mountains is very popular. Although Zermatt is known for its array of exhilarating sport and mountain activities, it is also known as a great place for rest and relaxation. No matter what time of the year you choose to visit there are so many wonderful things to do in Zermatt in both Summer and Winter.

The utmost thought has been put into the design of Chalet Peak. Every little detail in this beautiful chalet has been perfected to reach exceptional standards. The floor and ceiling windows have been cleverly designed to maximize the views over the village and iconic mountains.

This five star chalet which has brought accommodation in Zermatt to a whole new level comprises of five en-suite bedrooms with spacious dressing areas, contemporary open-plan living and dining areas and a fabulous wellness area, that boasts a state of the art indoor/outdoor Jacuzzi, gym, sauna and steam room. Along with this there is also an external cooking and dining area, ski room and walk-in wine cellar.

Main Entrance

Chalet Peak is accessed through a private tunnel with electronic security doors and a modern video entry security system. As you enter this amazing chalet you will arrive at the impressive entrance area which leads to the ski room, featuring ambiance lighting, digital surround sound TV, extra storage and heated boot warmers.

Enjoy a walk in our chalets incredible walk-in wine cellar with floor to ceiling glass wall and an extensive collection of fine wines and champagne. The cellar is finished with natural, locally sourced Zermatt stone flooring and a bamboo wall combined with unique silver birch features.

The chalet is a true example of Zermatt, showing off a superb hand carved Matterhorn waterfall feature. Two staircases and a lift with granite stone flooring lead to the main house. The first staircase is made of Nussbaum wood, designer glass, steel and quartz crystal. The second staircase is just as impressive as the first; a traditional spiral stairs that leads to the gallery bedroom.

Bedrooms

Chalet Peak consists of five bedrooms, all with luxury en suite bathrooms. Each bedroom has a private terrace or balcony that offer astounding panoramic views. Every bedroom features digital surround-sound for TV and music, high speed wireless internet and seating and dressing areas. The gallery bedroom is in a world of its own with an exclusive glass roof that allows you to enjoy breathtaking views wherever you are. Heated mirrors, shaving points and in-built hair driers are all included in the bedrooms. The master bedroom also encompasses a private Jacuzzi.

Dining area and kitchens

In house meals are presented to you on our chrome, glass and walnut extensive dining table, with seating for twelve people. Sit back in the sculptured leather dining chairs with a glass of champagne and enjoy your gourmet meal, cooked by our talented chef.

The luxurious kitchen is very spacious and fully fitted with a large range of Gaggenau and Miele appliances. The kitchen features nussbaum solid wood flooring, Brazilian stone and Italian marble throughout. A second outdoor, all weather kitchen can also be found on one of the external terraces.

Living Room

Relax in the contemporary living room with stunning digital surround sound for TV and music. You can unwind after a long day of skiing in the
