Garage

Exclusive luxury villa exquisitely decorated and located just ten minutes away from Palma centre next to the Golf Park Puntira. The perfect balance between living in the countryside and being near the popular bars and restaurants that Palma has to offer.

Villa Alena stands out for its modern design and architecture without losing the essence of the typical Mallorcan villa. A sublime mix of tradition, modern touches and comfort thanks to the combination of designer furniture with unique colonial pieces from India and typical Mallorcan furniture.

The house is perfectly equipped and built with materials of the best quality: air conditioning, underfloor heating, bathrooms with slate walls, floors of 18th century Burma teak wood, three fireplaces and an old wood oven renovated for use.

Outside has an infinity pool with spectacular views overlooking the Bay of Palma, with an outdoor dining and barbecue area.
