Casa Calo is a contemporary Ibizan holiday home in a gorgeous and secluded location on Ibiza's south-west coast. Close to the renowned sunset beaches of Cala Conta and Cala Bassa, this is an idyllic spot for an Ibiza beach holiday.

Set in a 37,000m2 deeply forested plot, the villa, terraces and wide infinity pool of Casa Calo enjoy breath-taking sea views. And you are just a four-minute walk from the nearest beach.

The 13m x 5m infinity pool stretches across the wide terrace, overlooking the tops of the fragrant pines, with the blue Mediterranean Sea sparkling beyond. By day, this picture-perfect terrace is the perfect place to soak up the warm Ibizan sunshine. At dusk, the colourful skies of pinks, gold and violets transform this wonderful location into the perfect sunset-watching spot, relax in the cosy lounge seating or enjoy an al-fresco meal with friends under the stars.

Inside, polished white cement floors run throughout the entire home to lend an air of contemporary style. In the open-plan living space, lounge seating clusters around a winter fireplace, before leading to a formal dining area, seating eight, and a stylish, modern kitchen. All enjoy the glorious sea views to the south and east.

The polished floors and light-filled interiors continue through the six immaculate bedrooms. Most offer the possibility of splitting the king-size double beds into twins, for extra versatility in accommodation.

In a house full of incredible sea views, the best are saved for the master suite, where light floods through the floor-to-ceiling windows. Here, you can enjoy a breath-taking vista of azure Balearic Sea merging with Cerulean Ibizan sky and you can be forgiven for thinking you have stepped into your own little piece of paradise.

In a gorgeous south-west coast location, Pep Calo is a beautiful Ibizan holiday home where you will make many wonderful memories, not least of the unforgettable sunsets over the gilded, sparkling sea.
