At the end of a driveway lined with majestic trees, you will discover this sumptuous 15th century chateau.

Overlooking the vineyards of the estate, this property in the Bordeaux region has 11 rooms. Antique decor and contemporary design coexist in harmony for a chic and refined atmosphere.

The chateau has vast outdoor living spaces: a large terrace overlooking the vineyards and forests, a huge park and two heated swimming pools to relax in an exceptional setting.

The house is available with its staff in an all-inclusive formula for seasonal rentals, private events, and seminars (large, equipped room available).
