Welcome to Chalet Alpine, one of the world's most exquisite and luxury holiday chalets located in the very exclusive Petit Village area of Zermatt. Chalet Alpine with 7 bedrooms and sleeping up to 14 people is a total haven that brings accommodation in The Alps to a whole new level of luxury. As you enter the Chalet, the view from the stunning sitting room to the mountains and Matterhorn will literally take your breath away.

Without a doubt, the magical light and incredible scenery in Zermatt has inspired this beautiful 7 bedroom holiday chalet. It features huge panoramic windows which open right up to take full advantage of the spectacular views.

The interiors of this stunning chalet have been carefully selected to provide wonderful sophistication together with extreme relaxation and warmth. The Chalet is spread over three spectacular floors. The sitting room and open plan dining area feature some beautiful contemporary artworks and the furnishings are quiet yet luxurious – reclaimed wood, fur, cashmere, suede and leather. The beautiful sitting room also features a grand piano and stunning fire place.

The dining room leads onto an enormous terrace that has an outdoor seating area, dining table and barbeque. It is the perfect place to have lunch and dinner or just enjoy a glass of champagne in the spring and summer months which can be wonderfully sunny and hot. No matter what time of the year you choose to visit there are so many wonderful things to do in Zermatt in both Summer and Winter.

Seven large en-suite bedrooms adorn the lower floors. Six of these have undisturbed Matterhorn views. They are all beautiful with warm wood, clean lines, and contemporary colour to create welcoming, comfortable and cosy bedrooms. Each of the bedrooms has supremely comfortable beds dressed in the most luxurious cotton sheets imaginable.

Also on the lower floor is the one of most enviable of Spa areas found in the Alps, including a sauna, Hammam steam room, a massage room, and a marble clad relaxation area with a fountain and ornamental pool.

Outside guests may enjoy a 3 metre square black marble plunge pool with massaging jets, ambient underwater lighting, and incredible views of the Matterhorn. There is also a lovely terrace here which is the ideal spot for sunbathing, reading or just looking at the incredible views.

When you stay at Alpine, you will be personally cared for the chalet manager, our lovely housekeepers and your own chef to prepare gourmet cuisine. You will feel welcomed and pampered throughout your stay. Nothing is too much trouble – your every wish discreetly attended to.
