Villa View occupies a beautiful section of the coast close to Elia beach, one of Mykonos best-loved beaches. Its long stretch of golden sand and clear, turquoise waters are as beloved by families as they are by the party crowd or those seeking its numerous water sports, including water-skiing, jet-skiing, and windsurfing.

Villa View's elevated position high above the beach gives the property a secluded air and treats guests here to some breath-taking panoramic views of rocky headlands facing into the sparkling Aegean Sea.

Indeed, the turquoise waters of Villa View's infinity pool seem to merge with the shimmering waters of the Aegean to create an endless vista of summery blue. Loungers line the sunny wooden deck and, beyond that, the terrace offers further places to relax with friends or dine out under the starry skies.

There's a sleek al-fresco bar under wooden rafters, and a further lounge seating area across the lawn, in prime position to take in the stunning sea views. Entertain outside around the fire-pit, or head inside to the pull-down projector screen to enjoy a movie.

Inside, exposed stone walls, pale wooden floors the colour of driftwood, and soft white render create a calm and tranquil ambiance. Sofa seating curves around the winter fireplace, rising to a mezzanine level with an interior dining space with sea views and, beyond that, a pristine white kitchen.

The pale wood floors, white painted walls and rafters continue through the rest of the property, ensuring the bedrooms retain the same cool air of relaxed island chic.

There are four bedrooms in the main house: three attractive doubles with en-suite shower rooms, plus a pretty twin with its own en-suite shower room.

Beside the bedrooms in the main house, there are two additional studio accommodations with private terrace access. Each has its own small kitchen area and en-suite bathroom, the first is a double bedroom and the second is a 'French' double.

Villa View is a charming property with incredible sea and beach views. It offers luxurious privacy, whilst still being within easy reach of the major beach clubs, Ano Mera village, and Mykonos Town.
