Chalet Eddy's five floors offer an unforgettable and luxurious stay in Europe's most glamorous of ski resorts. With 150km of pistes in Courchevel alone and access to Les Trois Vallées, the largest linked ski area in the world, at Chalet Eddy you're in the heart of a winter sports paradise.

With magnificent views over the resort and its surrounding snow-capped peaks, Chalet Eddy welcomes up to fifteen guests.

The spa area includes an indoor pool, a wellness suite and a steam room, as well as a sunken hot tub on one of the balcony terraces. Overlooking the pool area, the well-equipped gym offers further opportunities to work on those tired muscles.

A romantic wood fire is the centrepiece of the main living area. Cosy sofa seating arranged on all sides creates a convivial atmosphere where you can all come together at the end of the day. Upstairs, the dining room, seating fifteen, has a terrace with magnificent mountain views.

Further options for socialising include the bright children's playroom, stocked with toys and games, the well-appointed bar, and a fabulous cinema room with plush, sprawling sofa seating where you can all laze together and enjoy a movie night in.

Two romantic master suites and the seven guest rooms offering flexible accommodation all enjoy a pleasing blend of pale timbers, crisp linens and sophisticated en-suite bathrooms.

With breath-taking mountain panoramas seemingly at every turn, you can be sure of an unforgettable stay. An expert staff of twelve discreetly work behind the scenes to ensure your time at Chalet Eddy is truly exceptional.

Within the Chalet itself and throughout the resort, guests will benefit from a wide range of services designed to make their stay as enjoyable as possible.

Breakfasts, lunches and dinners will be whipped up by the private chef in the Chalet; otherwise meals can be enjoyed in one of the partner restaurants in Courchevel or on the slopes of Miribel.
