Villa Leaside is a five-level villa carefully designed and furnished to a high standard to round off the whole experience of living and events. Classy and elegant, the villa is covered in white marble coming from famous Croatian and Italian islands. The villa is designed with abundant marble details and decorations, and the modern design of the living rooms, kitchen and other spaces. The premises of the villa are airy, and light-filled, with minimal and elegant design, ensuring calm and serenity. All bedrooms have an unforgettable view of the sea, with enchanting sunsets bathing their walls in all shades of warm sunset tones.

From impressive landscapes on the road to the villa to the delightful, aromatic garden inside it, the Leaside Villa experience never ceases to seduce.

The well-maintained garden of olive tree, zesty and fresh notes of mandarin, lemon, and grapefruit trees complements the divine, floral scents of surrounding flowers, and the tropical vibe of palm trees. The garden overlooks the sea and the luxurious Sveti Stefan island and is sun-bathed the entire day, especially during golden hour. A great place to enjoy morning coffee surrounded by graceful pine and birch forest, to have breakfast, practice yoga... It is also perfect for beautiful and sophisticated wedding portraits, hosting events, or simply indulging in engaging all your senses.

Positioned high on the hill above the Sveti Stefan island, the villa is very close to the main coastline road Bar-Budva, yet, it is splendidly private, tucked away in graceful pine and birch forest.

With the vastness of the azure sea in front, the villa is sun-soaked from early in the morning till the night, and this exquisite hideaway abounds with the calming sounds of sea waves and gentle swishing sounds of leaves in the trees.

Most beautiful beaches in Montenegro, historical old towns, and luxury resorts all lie within easy access. There is plenty to explore during your stay, whether you want to see the historical legacy of the Montenegrin coast or enjoy mesmerizing beaches and other tourist attractions.
