Chalet Viva immerses guests in a world of luxury, comfort and refinement. Whether by the fireplace in the large living room or on the large terrace overlooking Val d'isère, guests can take advantage of the panoramic view of the resort and the slopes. Carefully designed, the life in this property revolves around the vast living room space with a fireplace and two large bay windows which let in light and provide access to the large terrace.

Located at the entrance of the Val D'Isere Resort, it is a 30 minute walk into the centre of the village. However, please note that there are a few local shops close by in addition to chairlift to access the ski hill.

The apartment can accommodate up to 10 people thanks to its 5 bedrooms: all equipped with dressing rooms and bathrooms.

Obviously, contemporary comfort is present in this property, with a flat-screen TV, a hammam, and free Wi-Fi. The rental includes a covered parking and a ski room. Opening onto a beautiful balcony, the large living room and dining room benefit from excellent exposure.

Guests will receive a warm welcome, with a beautiful welcome basket. A concierge is at guests disposal for all questions and wishes at any time of the day. The ski equipment will be delivered to the chalet to avoid any constraints.

Included Services

On arrival, guests will be welcomed by a team of concierges whom the guests can call upon at any time and will benefit from a mid-stay cleaning with a change of towels.

Welcome Basket

Housekeeping and linen change in the middle of the stay

Testing and delivery of ski equipment at home
