Welcome to Villa Araxi, a wonderful 2-bedroom villa located on the beautiful Greek island of Crete. This villa is perfectly perched on a hilltop with stunning sea views and 360 degree views of the surrounding mountainous area. Villa Araxi features top class amenities for your group to fully enjoy the vacation and it is also located in an enviable spot, so close to many of Crete's famous pristine beaches.

The villa's alfresco area definitely takes centre stage and will be a favourable area for you and your group to spend your holiday vacation. Relax on the plush sunbeds with a refreshment in hand, take a dive into your infinity pool or stay in the shade while the younger guests enjoy the nearby plunge pool. I would also recommend taking full advantage of the BBQ!

Araxi's interiors feature natural materials, warm, earthy tones and minimalistic furnishings, creating a perfectly relaxing and calming space for all. Guests will enjoy the villa's open-plan design with a fully equipped kitchen, 6-person dining table and comfortable sitting area. This is a great space for all the group to come together every morning and evening to enjoy quality meals.

There are two deluxe bedrooms, both with their own en-suite bathroom and direct exterior access to the terrace and pool. One en-suite boasts a hydro massage bathtub for an added piece of luxury and pampering!

The villa also grants easy access to a tennis court, where you can test your skills and have fun with your family. As for the beaches, the area has a variety of sandy and shallow beaches ideal even for visitors of all ages.
