This villa is located in a small community called Petra and it is about 44km from the capital Palma. With its 1100 square metres, the villa offers enough space for 12 people. The large reception area, right at the entrance of the villa, immediately exudes a warm feeling and literally invites you to sit down and chat. All bedrooms have their own bathroom. Spread over two building complexes, each room is excellently equipped.

The heart of this villa is the garden and the pool right in the middle of the property. The garden is decorated with colourful plants and creates a very idyllic atmosphere by the pool. Of the many recreational spots at Villa Florence, one stands out very much in particular. The terrace offers a perfect view over the small town of Petra and is perfect for relaxed barbecue or game evenings.
