Impressive villa with glorious sea views and high-spec interiors.

Beautiful sea views abound in this wonderful property nestled in the rugged cliffside on the east coast of the island.

Idyllically positioned between the bright lights of Ibiza Town to the south and the picturesque sands of Cala Llonga to the north, Villa Ricardo enjoys its own little slice of paradise.

Designed by noted architect Jordi Carreño, this impressive Ibizan holiday home basks in a glorious hillside position in the exclusive gated community of Roca Llisa.

Three wonderful terraces overlooking the shimmering blue Balearic Sea offer wonderful chill-out spaces for entertaining and relaxing. On the lower terrace, a tempting infinity pool sits beside a large jacuzzi – both offering incredible vistas across the hillside to the blue waters of the Mediterranean.

The terrace spaces include a lighting system and Bose sound system as well as spacious areas to soak up some rays, chill with friends, or dine al fresco under the stars.

The sophisticated interiors are the work of Paul Davies London; combining classic and contemporary style with exquisite artwork from celebrated French photographer Bettina Rheims and the French-Irish artists Nick and Chloe.

The stunning view from the main living area, where the high ceilings and vast windows provide huge views of sea and sky, is a work of art in itself. With soft sofa seating and a formal dining table, seating twelve, this is an impressive entertaining space.

The bright, well-equipped kitchen offers a more informal place to dine, with breakfast bar, Gaggenau appliances, and wine fridge. Downstairs, you'll find the bar and lounge area. Or head upstairs to the spa equipped with a Hammam, bath, shower and sauna cabin.

The stylish double bedrooms all enjoy en-suite bathrooms and beautiful sea or mountain views. The master suite boasts glorious panoramic views and pool terrace access
