Arriving at well-carved gates, a small oasis starts to reveal itself with a glittering ocean and sneaky peeks at some idyllic islands ahead. You just arrived at Kalkan's most prestigious (albeit hidden) address.

Three beautifully constructed homes sit far enough apart but together, resplendent in local stone masonry which takes any hard edges off their contemporary design. Indeed, each villa is a contrary mix of understated Turkish elements with a distinctly subtle beach panache, all delivered with five-star flair.

A generous terrace with a large infinity pool unfolds into a flowing landscape of natural gardens and steps leading closer and closer to the crystal-clear Aegean waters. Here, you can bask in the heady beauty of the surroundings on a perfectly paved ocean deck with pergola and lounge chairs, dive into the freshest of seas and let all workday worries fall away.

Relax in the knowledge that you have discovered the epitome of luxury villa vacationing in Kalkan, Turkey in this year-round home!
