This luxury chalet is one of thirteen newly built in a small and attractive complex of ski lodges on the edge of La Rosiere Forest. As well as being surrounded by fabulous mountain views, it offers direct access onto the slopes of Courchevel.

Chalet Solaris accommodates up to eight guests in its four luxury bedrooms split over two floors. Each bedroom has private balcony access where you can revel in the incredible vistas of the snowcapped peaks before you. Crisp linens, cosy fake fur throws and dramatic marble en-suite bathrooms deliver five-star luxury.

The open-plan living space opens onto a further balcony with dramatic mountain views, as well as offering a wonderful location to dine and relax with friends and family in the evenings in front of the wood fire.

You also enjoy free access to all the resort amenities, including boot rooms with direct access onto the piste, a restaurant with scenic views, and two spa and wellness centres. Here, you can relax in the heated indoor and outdoor pools, sauna, jacuzzi hot tubs, Hammam or fitness room or book a treatment in one of the wellness rooms.

The resort offers all signature services on demand, including concierge, chauffeur, housekeeping and private chef.

This secluded location on the edge of La Rosiere Forest enables you to take your pick of 1650 and 1850 pistes or travel a little further afield to enjoy the 600km of ski runs that make up the Three Valleys ski area.
