Area Guide Paphos

Located in the western part of Cyprus, the coastal city of Paphos is one of a kind. Of high historical and archaeological importance, it is included in UNESCO's list of cultural and natural treasures of the world heritage. The myth of Aphrodite, the Greek goddess of love who was born here, the stories of the kings and queens who lived in Paphos have left their marks in this small city.

There are so many places to visit and so many myths to discover while you are here, but that's not all there is to it. The beautiful beaches, the amazing surrounding nature, the promenade that leads to the harbour and the castle, the picturesque villages of the district, make Paphos a great destination all year round for families, couples, and people who want to enjoy the beauty of the Mediterranean.
